

Ergo Line Single Under Counter Crosswise

Fan heating

Product description

Ergo Line Under Counter Crosswise is designed to hold and transport hot food easily and safely. With its low height and crosswise construction, it can effortlessly be rolled under even shallower buffet and serving counters. The product's design makes it equally suitable for use in the kitchen or front of house.

The unit features compressor cooling, enabling efficient heating up to 90°C in just 20 minutes. A digitally adjustable temperature ensures excellent

control over food quality. ScanBox Ergo Line Under Counter Crosswise has a capacity for 5 containers in the GN 1/1 standard.

Equipped as standard with ScanBox Digital Control, a One-Grip Handle, a solid door, 125 mm lockable castors, removable U-guide rails with 80 mm spacing, and black RAL 9005.
