

Kängabox Trip

Neutral

Product description

Kängabox® Trip is manufactured for the transport of hot and cold food according to the GN standards. The box is easily moved with a practical handle for carrying, and is ideal for shopping and excursions.

The box is made of EPP and moulded in one piece, has good insulation capability and is easy to clean. Kängabox® Trip can withstand temperatures from -40°C to +120°C and is resistant to shocks and impacts.
